Objective

To obtain a class teaching role that enables me to share my object matter expertise foster academic excellence and launch my teaching career in a supportive and dynamic environment

Experience

- Ramnagar College** 16/11/2021 -
Class Teacher

Education

- Tamralipta Mahavidyalaya** 2014 -2017
B.Sc
1st Class
- Midnapore College (Autonomous)** 2017-2019
M.Sc In Botany Special paper- plant Taxonomy and Ecology
1st class
- Tamralipta Mahavidyalaya** 2019-2021
B.Ed
1st class

Skills

- Singing

Projects

- STUDY OF COMPARISONAL IMPACT OF PLANT DISTRIBUTION AND VAM ASSOCIATION BETWEEN DISTURBED AND UNDISTURBED SITES IN SEASONAL VARIATION**
The project work based on AMF diversity of undisturbed and disturbed sites during different season and disturbed sites are undertaken in anthropogenic stress. We tried to find out the variation through mycorrhizal colonization, spore quantification , organic carbon in NPK value and effects of abiotic stress on growth and chlorophyll content of a plant.

Achievements & Awards

- 2022 GRADUATE APTITUDE TEST IN ENGINEERING (GATE) in LIFE SCIENCE(XL) INDIAN INSTITUTE OF TECHNOLOGY KHARAGPUR
- Teacher Eligibility Test-2022 For Class I-V, primary
