Work experience

November 2006- current

STATE AIDED COLLEGE TEACHER (Category-fi)

DEPARTMENT OF ZOOLOGY

RAMNAGAR COLLEGE

West Bengal

- **fi9 years of teaching experience (UG).**
- Demonstrated strong interpersonal and communication skills, resulting in clear subject matter discussion with students.
- Encouraged class discussions by building discussions into lessons, actively soliciting input, asking open-ended questions and using techniques to track student participation.
- Used different learning modes and types of technology to engage students in achieving learning outcomes.
- Researched and selected course texts and supplemental learning materials.
- Shifted between informal and formal methods of teaching to create multi-layered web of learning incorporating experiments, practical activities, discussions, and projects into lessons.
- Used variety of learning modalities and support materials to facilitate learning process and accentuate presentations.
- Provided students with constructive, encouraging and corrective feedback.

Research Experience

Researched on the title "**Diversity and inventory of poisonous and non-poisonous snakes found in Ramnagar surrounding areas in Purba Medinipur District of West Bengal, according to the IUCN status and conservation management**" from 2020-2023.
