15. Multidisciplinary / interdisciplinary

No individual approach taken by this college so far. In fact, such issues are strictly monitored by the affiliating University. The college had introduced CBCS System of Curriculum from 2018 onwards, where some multidisciplinary approach in terms of choosing subjects at UG level have partly been introduced.

16. Academic bank of credits (ABC):

No initiative regarding opening of ABC Account of Students taken due to Pandemic situation caused by spread of Corona Virus.

17. Skill development:

Ramnagar College has been taken initiative to introduce skill-based education since 1995. We have introduced Industrial Fish and Fisheries, which is a skill-based UG course having enough scope to nourish skill. 2015 onwards we have also introduced B.Voc courses to emphasise on skill and to encourage students for better opportunities. We have been providing skill-based education for a long time, which has come out as one of the best practices of this institution.

In the year 2021 the college has been started two more Vocational courses on Food Processing and Retail Management.

18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

No distinctive attempt has been taken by this college. We have three Honours UG courses in Sanskrit, Philosophy and History, where few courses, curriculum and teaching are offered to promote Indian Knowledge (Sanskrit) and Culture (Philosophy and History).

19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):**20. Distance education/online education:**

We have offered Distance Mode of Education as one of the agents of Vidyasagar University till 2021. This has been withdrawn as a result of discontinuation of that course at the University level.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Ramnagar College prepares its proposed academic calendar at the beginning of every academic session. Conferring with the notices and circulars of the affiliating University (Vidyasagar University), details of commencement of classes, examinations, and other academic activities are fixed and the calendar is uploaded in the college website. Accordingly, the master routine is being prepared and circulated to different departments along with the departmental routine, which has been circulated amongst the faculties and students of the respective departments.

Regular departmental meetings are also conducted through both online and offline mode (till Nov. 2021 online and after that off line) to discuss the allotment of classes, syllabus distribution, evaluation process and other departmental activities like Webinar,

students' presentation etc. Due to the unusual pandemic condition in the initial days of 2021 academic session, all the academic activities are conducted through online method keeping the quality issues intact as much as possible. ICT based teaching learning methods are extensively used by the faculties to enhance and ensure quality of classroom teaching. Apart from that the College maintains a regular, well-planned periodic evaluation system for all semester students. All the faculties are always ready for any kind of queries, counselling i.e. academic and non-academic even beyond the teaching hours.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Ramnagar College follows the academic calendar of Vidyasagar University (affiliating university) and undertake continuous internal assessment programmes through class tests, home assignments, students' presentation and viva (if needed) to review the performance of the students throughout the academic year for all the semesters. The college prepares an Academic Calendar in adherence to the affiliating university with all details of academic activities like commencement of classes and examinations etc. The central academic plan has always been uploaded to the college portal. In addition to this every department prepares their departmental routine indicating all the papers, number of classes, faculty distribution to all the papers, tentative internal examination date etc. The departmental routine has been given to the students through notice board and official WhatsApp group. In the pandemic situation as physical classes were stopped, all the curriculum delivery and internal evaluation process were taken online through different online methods. All other academic and extra-curricular activities like webinar, remedial classes were also held regularly both through online and offline method.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

Ramnagar College has a powerful mechanism of examination supervised by a separate Examination Committee. The main job of this committee is to ensure the process of continuous University exam, internal assessment and evaluation process and keep it transparent and more efficient. Notifications are displayed prominently on the college website, students' official WhatsApp group and college notice board (except the pandemic situation) to

make the students aware of all the exams and internal marks as well. The attendance record, which is also a part of internal evaluation process is sincerely recorded and displayed if needed to the students. The answer scripts of the internal assessments are displayed to the students and discussed the necessary problems to make to transparent. Apart from that all the students are given opportunity to raise their grievances regarding internal assessment and resolved accordingly. The marks of internal assessment are put on the University portal immediately after the completion of it. In the case of absence of any student for the internal assessment, a proper arrangement is done to retake the exam as per the university rule. Ramnagar College maintain the examination mechanism with sincerity and keeps it time-bound and transparent.

3.3 - Extension Activities

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

Ramnagar College acknowledges her responsibility to provide an environment conducive for the holistic development of the students, sensitize students towards social issues and make them responsible. Many courses of different departments like sociology, history and philosophy, environmental science, are planned to foster and indulge these kinds of social and moral issues into the minds of the students. Activities done by the NSS and NCC units of the college like raise relief fund for flood affected areas of the neighbouring areas and distribute food, medicine and cloth to the flood affected community are notable here. The objective was to help the needy and also to create awareness and sense of responsibility towards the society among the students.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The college was established in the year 1972. During this long span of fifty years, the college has notably been expanded both in terms of offering different streams of academic programme as well as sound physical infrastructure including classrooms, laboratories, computing equipment like computers and other computing gadgets etc.

At the same time, it is a fact that the college management is keen to augment its existing physical infrastructure and other facilities further especially after the introduction of CBCS academic programmes. Unexpectedly, it has been halted last year due to the sudden outbreak of COVID 19. Now the college has again taken the initiation for expanding the physical infrastructure this year.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

Ramnagar College cater the co-curricular activities very sincerely along with the normal academic programmes since its very inception to maintain a healthy balance and strengthen the entire academic culture. Diverse cultural activities, sports and games (indoor, outdoor) are regularly conducted in the college premise and participation of the students are very high in all activities. The college arranges different cultural functions involving as much student as possible to celebrate indigenous festivals and also special cultural performances are organised to increase enthusiasm and excitement among the students.

In the recent past the college has procured land for more than 2 acres out of its own fund for developing a standard college playground to meet the demand of the students. Presently the college possesses the largest play ground in Ramnagar Panchayet Samity, which not only been used by the in-house students only, but number of sports events and sports competition are frequently organized by different institutions of neighbouring areas as well.

Similarly, the college has the facilities of different indoor games like Badminton, Volley, Carom, Chess etc which are popular and mostly liked by the students of adjacent areas. It is mentionable that the college has a gymnasium. However, the college has no Yoga Centre, but students are motivated to practice Yoga from time to time by inviting local institutions and others having proficiency in Yoga.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

KOHA is the first open source integrated library system was developed by Katipo Communication Limited of Wellington, Newzealand. Ramnagar College Central Library is using KOHA presently because of its ease of operations.

Features of KOHA

- A full featured modern integrated library system
- Simple, clear interface for librarians and members
- Web-based interface i.e., KOHA is a platform independent solution
- Free/open source under the general public license (GPL)
- Customizable search
- Full Catalogue, Circulation, Acquisitions
- OPAC

KOHA OPAC is a very powerful module. It allows the user for a detailed search. The search can be done through different tags such as author, title and key word.

- Reports

Koha reporting module includes for powerful reporting wizards; catalogue, patrons, circulations and acquisition. Each wizard gives us statistical data related to these areas. These data is up to date and gives factual information about the function of the library.

In order to maintain supervise and updating the physical, academic and support facilities the college has made AMC (Annual Maintenance Contract) with some local agencies providing such services as per the need and requirements. We are very much conscious whether these are functioning properly or not, so that the quality of education will keep intact.

Being a college located far from the urban locality we could not arrange any reputed or specialized agency in this field due to the lack of such agency nearby.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

The institution since the early days of its inception has been trying to make best use of its young talents in accelerating different areas of academic and administrative activities. It is our humble endeavour to report that in each and every administrative decision making bodies there has been the representation of students over the years. This practice is in conformity of the applicable Statute and Regulations offered by the affiliating university from time to time. Apart from an elected Students' Union assisting the college administration in various students' related issues students' representatives are

taking part in different sub-committees (16 nos) as stated below. This signifies how the college gives importance the representation of students in various decisions making process and now become an established practice and norms of the college.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Ramnagar college is governed by a well composed Governing Body as per the instructions and guidelines of the University Statutes, Acts and Orders passed by the State Government from time to time. From the very inception, the college has been intensifying its focus to fulfil its vision and mission, which is nothing but to expand higher education among the students of adjoining areas of rural landscape. During the last couple of years, the college has given more attention to educate girls as maximum as possible and initiated different measures for empowerment of the girls' students. This is also one of the best practices of tis college.

At the same time, by giving due honour and admiration to the policy of the central government the college has decided to give more focus on introducing skill-based education among the

students, which is helpful to ensure earning capacity and thus secure more job opportunities.

These activities are the reflection of sincere attitude of the Governing Body to fulfil and maintain the major vision and mission of the college.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The college management believes in participative management where all the stake holders are included in continuous decision-making process. At present the college functions by taking expertise and assistance of 26 Sub-Committees formed by the college governing body.

The principal of this college gives leadership under this arrangement and makes a meaningful coordination between the Governing body and Sub committees. It's a two-way communication system (both top to bottom and bottom to top) where the instruction of the highest decision-making agencies is translated and implemented at the ground level where the principal gives its leadership.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The management system of Ramnagar College functions on the basis of different plans and programs passed in the yearly Budget. The principal by taking assistance of the members of the different sub-committees tries to implement such decisions taken in the meeting

of the Governing Body throughout the year for different activities.

It is fact that in all cases such plans are effective as such decisions are taken in a decentralized set up but it cannot be denied that such processes found ineffective in few cases due to some externalities.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Being a government aided college, the administration of the college is monitored on the basis of rule of thumbs. The college management has liberty to adopt different policies as per their need and suitability, but such liberty is restricted in building administrative set up, appointment of faculties, stuffs and others. According to rules, regulations and acts of the controlling authorities the administrative set up of the college is governed.

However, under this ground reality, the college management is serious and dedicated enough to adopt different plans and policies found effective and efficient in a best possible way.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non- teaching staff

The college management is very positive to launch different welfare schemes for their teaching and non-teaching members, though such vision gets difficulty and obstacles when question of fund arises.

Still, we have cooperative society, where most of the fulltime teaching and non-teaching members are facilitated by giving short term and long term loans to its members.

For medical facilities, the college has a health scheme where members are included to get medical insurance facilities which are strictly monitoring by the applicable rules and norms of the government.

For casual non-teaching staff and guest teachers, the college offers short term loan to its members out of college fund. Further the college has a practice to allocate fund for the welfare staff members and the student in every yearly budget. The benefit is given for emergency medical problems and contingency crises of different stake holders.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

It is a fact that the college does not have a separate Performance Appraisal System for teaching and non- teaching staff. The affiliating university conducts academic audit based on a well structured proforma circulated to its different colleges every year.

For promotion and placement of fulltime teachers performance assessment is undertaken by the screening committee where activities and performance of eligible teachers are assessed after a distinct time gap.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The college does not have a separate mechanism. The present system is that the college has to conduct statutory audit every year and the name such audit agency is recommended by the Government from time to time. At present, such audit is completed upto the year

2019-2020. The audit for following years could not be undertaken due to the non-availability of Audit Firm from the Government.

The college has to face special audit conducted by the CAG, when such audit is recommended by the Government. In our college such Audit was conducted last in the year 2015.

Apart from these we have no statutory requirements of audit except internal audit which falls under the sole discretion of the college governing body.

At the same time, we have some in house mechanism of introducing some internal check system like joint fund operation, checking of performance of a staff by other staff members etc.

The college governing body has also taken decision to conduct third party internal audit recently. The same is yet to implement.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The college always tries to mobilise fund for procuring resources and its optimum utilization every year. It is matter of regret

that the college did not receive any major fund from the government agencies since 2015.

At present, all developmental activities are run based on its own fund. Despite having COVID restrictions we could not undertake any major construction works in the recent past but we have arranged programmes like mask and sanitizer distribution to the near-by localities. Apart from that the college provided extra data to almost all the faculties to run the online academic activities during the COVID restrictive period. It is hoped that there would be steady pace of mobilizing surplus funds for various development works when the situation found to be more favourable.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

Since the very launching of IQAC, it has been functioning as the brain child of the college Governing Body. IQAC maintains a constant monitoring on the practical implementation of teaching, learning and evaluation system as finalised by the members of teachers' council. It is also a matter of great pleasure that the suggestions made by IQAC for new innovative ideas in the field of academic activities, infrastructural betterment, teaching tools and teaching-learning resources is considered with due honour and importance by the Government Body. This is certainly enriching the academic environment of the institution.

It cannot be denied that in very sphere of college activities, the IQAC caters the pioneering role.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of

operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

This year one Governing Body meeting was held due to the pandemic restrictions in the first half of the present academic year. And before organizing the same the meeting of IQAC is convened where most of the academic and administrative issues are discussed at regular interval.

In all such meetings different focal areas like teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement are reviewed by the members participating the meeting. Future regarding the above-mentioned issues and other relevant matters are also discussed in those meetings to keep the college well-functioned.

Being a democratic and decentralized set up the perception about the functioning of college IQAC seemed to be very high among all the stake holders like students, teachers, members of the governing body, guardians, well-wishers, and others.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Gender equity is one of the most important issues of present day and is catered by Ramnagar College every academic year with different seminars, workshops, special lectures etc. A separate unit called 'anti-ragging' committee has been formed to ensure security of the female students of the college. However, according to the Vidyasagar University Under Graduate syllabus, many subjects like History, English, Sociology, Political Science have special courses (mainly skill enhancement courses), which greatly deals with the issues like Gender and Education, Women Rights and Indian Constitution, Women and Empowerment etc. All the faculties, especially from Humanities, tried their best to teach these courses with more emphasis and provided sufficient materials to the students to meet up the gap of physical academic activities during this academic year. Continuous group discussions and internal assessments were also done to evaluate students' performance.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

As regards the disposal of various types of wastes the college collects the wastes from different sections of the college through collection buckets placed in prominent positions of the college campus. All the degradable wastes are disposed through disposable pits prepared in a particular locations within the campus. Whereas the non-degradable ones are given to the local Panchayet agency who collect the same from the college campus in their own vehicle on regular intervals.

As a result the college now does not face any such problem and we may feel satisfied that our college campus is totally free from any hazards and wastes.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Ramnagar College, has adopted a best practice to focus on Women's Education in rural areas. It is a challenge for this college to promote women's education and empowerment for social and economic development by addressing the specific needs and challenges faced by women in rural communities. The objective of focusing on women's education in Ramnagar College is to empower women by providing them with equal access to education, knowledge, skills, and opportunities. The primary goals of women's education in our college include:

- To provide local access to higher education for women in rural areas.
- To equip women with practical as well as employable skills.
- To encourage women to engage in community service projects, outreach programs, and social entrepreneurship.
- To promote health and thereby raising awareness among the women in rural areas.
- To promote gender sensitization and thus to challenge discriminatory practices prevalent mostly in rural communities.
- To provide networking opportunities that helps for personal and professional growth

Ramnagar College also focus on skill development and skill oriented education. It is important to empower students with skill-based training as the development of our economy depends upon them. Objectives of the practice are as follows:

- To improve the skills of students to think beyond grades and also helps them tap into their capabilities, develop real-life skills, and prepare themselves to be successful in the careers of their choice.

Further details on these two best practices can be found on the link provided below.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The institution is located very close to the Bay of Bengal Sea Beach in the esteem south of our State. The institution, being situated in the background of rural landscape has been trying to focus its deliverable services by making best use of local resources, in fact two important economic resources abundantly available surrounding our college is marine and aquatic resources and the beautiful natural landscape like flat sea beach and the beauty ocean view.

Keeping these facts in mind the college has introduced three fishery related courses (B. Sc. (Hons) in Aquaculture Management, B. Sc. (Major) in Industrial Fish and Fisheries and B. Voc. in Fisheries and Farm Management). Nearly hundred students are passed out every year completing any of these three courses and all of them have been getting employment over the year. Further keeping in view the potential of tourism industry in mind, we have introduced V. Voc in Hospitality and Tourism through which another 20-25 passed out students are also getting job every year.

As a whole we have been generating a scope of employment of nearly 125-150 students per year which as per our perception is the distinctive features of this college.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Ramnagar College prepares its proposed academic calendar at the beginning of every academic session. Conferring with the notices and circulars of the affiliating University (Vidyasagar University), details of commencement of classes, examinations, and other academic activities are fixed and the calendar is uploaded in the college website. Accordingly, the master routine is being prepared and circulated to different departments along with the departmental routine, which has been circulated amongst the faculties and students of the respective departments.

Regular departmental meetings are also conducted through both online and offline mode (till Nov. 2021 online and after that off line) to discuss the allotment of classes, syllabus distribution, evaluation process and other departmental activities like Webinar, students' presentation etc. Due to the unusual pandemic condition in the initial days of 2021 academic session, all the academic activities are conducted through online method keeping the quality issues intact as much as possible. ICT based teaching learning methods are extensively used by the faculties to enhance and ensure quality of classroom teaching. Apart from that the College maintains a regular, well-planned periodic evaluation system for all semester students. All the faculties are always ready for any kind of queries, counselling i.e. academic and non-academic even beyond the teaching hours.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Ramnagar College follows the academic calendar of Vidyasagar University (affiliating university) and undertake continuous internal assessment programmes through class tests, home assignments, students' presentation and viva (if needed) to review the performance of the students throughout the academic year for all the semesters. The college prepares an Academic Calendar in adherence to the affiliating university with all details of academic activities like commencement of classes and examinations etc. The central academic plan has always been uploaded to the college portal. In addition to this every department prepares their departmental routine indicating all the papers, number of classes, faculty distribution to all the papers, tentative internal examination date etc. The departmental routine has been given to the students through notice board and official WhatsApp group. In the pandemic situation as physical classes were stopped, all the curriculum delivery and internal evaluation process were taken online through different online methods. All other academic and extra-curricular activities like webinar, remedial classes were also held regularly both through online and offline method.

INFRASTRUCTURE AND LEARNING RESOURCES**4.1 - Physical Facilities**

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The college was established in the year 1972. During this long span of fifty years, the college has notably been expanded both in terms of offering different streams of academic programme as well as sound physical infrastructure including classrooms, laboratories, computing equipment like computers and other computing gadgets etc.

At the same time, it is a fact that the college management is keen to augment its existing physical infrastructure and other facilities further especially after the introduction of CBCS academic programmes. Unexpectedly, it has been halted last year due to the sudden outbreak of COVID 19. Now the college has again taken the initiation for expanding the physical infrastructure this year.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

Ramnagar College cater the co-curricular activities very sincerely along with the normal academic programmes since its very inception to maintain a healthy balance and strengthen the entire academic culture. Diverse cultural activities, sports and games (indoor, outdoor) are regularly conducted in the college premise and participation of the students are very high in all activities. The college arranges different cultural functions involving as much student as possible to celebrate indigenous festivals and also special cultural performances are organised to increase enthusiasm and excitement among the students.

In the recent past the college has procured land for more than 2 acres out of its own fund for developing a standard college playground to meet the demand of the students. Presently the college possesses the largest play ground in Ramnagar Panchayet Samity, which not only been used by the in-house students only, but number of sports events and sports competition are frequently organized by different institutions of neighbouring areas as well. Similarly, the college has the facilities of different indoor games like Badminton, Volley, Carom, Chess etc which are popular and mostly liked by the students of adjacent areas. It is mentionable that the college has a gymnasium. However, the college has no Yoga Centre, but students are motivated to practice Yoga from time to time by inviting local institutions and others having proficiency in Yoga.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

KOHA is the first open source integrated library system was developed by Katipo Communication Limited of Wellington, Newzealand. Ramnagar College Central Library is using KOHA presently because of its ease of operations.

Features of KOHA

- A full featured modern integrated library system
- Simple, clear interface for librarians and members
- Web-based interface i.e., KOHA is a platform independent solution
- Free/open source under the general public license (GPL)
- Customizable search
- Full Catalogue, Circulation, Acquisitions
- OPAC

KOHA OPAC is a very powerful module. It allows the user for a detailed search. The search can be done through different tags such as author, title and key word.

- Reports

Koha reporting module includes for powerful reporting wizards; catalogue, patrons, circulations and acquisition. Each wizard gives us statistical data related to these areas. These data is up to date and gives factual information about the function of the library.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

A lot of infrastructural arrangements have been made by procuring computers, new software supported by internet connections and WI-FI facilities in the college especially during last ten years. But it is also true that the college is yet to strengthen its IT infrastructure according to the need

of the students to strengthen the teaching-learning process. We have a Computer Maintenance Sub-Committee to assess the performance and better functioning of such facilities from time to time.

In order to maintain supervise and updating the physical, academic and support facilities the college has made AMC (Annual Maintenance Contract) with some local agencies providing such services as per the need and requirements. We are very much conscious whether these are functioning properly or not, so that the quality of education will keep intact.

Being a college located far from the urban locality we could not arrange any reputed or specialized agency in this field due to the lack of such agency nearby.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Ramnagar college is governed by a well composed Governing Body as per the instructions and guidelines of the University Statutes, Acts and Orders passed by the State Government from time to time. From the very inception, the college has been intensifying its focus to fulfil its vision and mission, which is nothing but to expand higher education among the students of adjoining areas of rural landscape. During the last couple of years, the college has given more attention to educate girls as maximum as possible and initiated different measures for empowerment of the girls' students. This is also one of the best practices of tis college.

At the same time, by giving due honour and admiration to the policy of the central government the college has decided to give more focus on introducing skill-based education among the students, which is helpful to ensure earning capacity and thus secure more job opportunities.

These activities are the reflection of sincere attitude of the Governing Body to fulfil and maintain the major vision and mission of the college.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The college management believes in participative management where all the stake holders are included in continuous decision-making process. At present the college functions by taking expertise and assistance of 26 Sub-Committees formed by the college governing body.

The principal of this college gives leadership under this arrangement and makes a meaningful coordination between the Governing body and Sub committees. It's a two-way communication system (both top to bottom and bottom to top) where the instruction of the highest decision-making agencies is translated and implemented at the ground level where the principal gives its leadership.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The management system of Ramnagar College functions on the basis of different plans and programs passed in the yearly Budget. The principal by taking assistance of the members of the different sub-committees tries to implement such decisions taken in the meeting of the Governing Body throughout the year for different activities.

It is fact that in all cases such plans are effective as such decisions are taken in a decentralized set up but it cannot be denied that such processes found ineffective in few cases due to some externalities.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Being a government aided college, the administration of the college is monitored on the basis of rule of thumbs. The college management has liberty to adopt different policies as per their need and suitability, but such liberty is restricted in building administrative set up, appointment of faculties, stuffs and others. According to rules, regulations and acts of the controlling authorities the administrative set up of the college is governed.

However, under this ground reality, the college management is serious and dedicated enough to adopt different plans and policies found effective and efficient in a best possible way.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non- teaching staff

The college management is very positive to launch different welfare schemes for their teaching and non-teaching members, though such vision gets difficulty and obstacles when question of fund arises.

Still, we have cooperative society, where most of the fulltime teaching and non-teaching members are facilitated by giving short term and long term loans to its members.

For medical facilities, the college has a health scheme where members are included to get medical insurance facilities which are strictly monitoring by the applicable rules and norms of the government.

For casual non-teaching staff and guest teachers, the college offers short term loan to its members out of college fund. Further the college has a practice to allocate fund for the welfare staff members and the student in every yearly budget. The benefit is given for emergency medical problems and contingency crises of different stake holders.

<p>The college does not have a separate mechanism. The present system is that the college has to conduct statutory audit every year and the name such audit agency is recommended by the</p>	

Government from time to time. At present, such audit is completed upto the year 2019-2020. The audit for following years could not be undertaken due to the non-availability of Audit Firm from the Government.

The college has to face special audit conducted by the CAG, when such audit is recommended by the Government. In our college such Audit was conducted last in the year 2015.

Apart from these we have no statutory requirements of audit except internal audit which falls under the sole discretion of the college governing body.

At the same time, we have some in house mechanism of introducing some internal check system like joint fund operation, checking of performance of a staff by other staff members etc.

The college governing body has also taken decision to conduct third party internal audit recently. The same is yet to implement.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The college always tries to mobilise fund for procuring resources and its optimum utilization every year. It is matter of regret that the college did not receive any major fund from the government agencies since 2015.

At present, all developmental activities are run based on its own fund. Despite having COVID restrictions we could not undertake any major construction works in the recent past but we have arranged programmes like mask and sanitizer distribution to the near-by localities. Apart from that the college provided extra data to almost all the faculties to run the online academic activities during the COVID restrictive period. It is hoped that there would be steady pace of mobilizing surplus funds for various development works when the situation found to be more favourable.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

Since the very launching of IQAC, it has been functioning as the brain child of the college Governing Body. IQAC maintains a constant monitoring on the practical implementation of teaching, learning and evaluation system as finalised by the members of teachers' council. It is also a matter of great pleasure that the suggestions made by IQAC for new innovative ideas in the field of academic activities, infrastructural betterment, teaching tools and teaching-learning resources is considered with due honour and importance by the Government Body. This is certainly enriching the academic environment of the institution.

It cannot be denied that in very sphere of college activities, the IQAC caters the pioneering role.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

This year one Governing Body meeting was held due to the pandemic restrictions in the first half of the present academic year. And before organizing the same the meeting of IQAC is convened where most of the academic and administrative issues are discussed at regular interval.

In all such meetings different focal areas like teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement are reviewed by the members participating the meeting. Future regarding the above-mentioned issues and other relevant matters are also discussed in those meetings to keep the college well-functioned.

Being a democratic and decentralized set up the perception about the functioning of college IQAC seemed to be very high among all the stake holders like students, teachers, members of the governing body, guardians, well-wishers, and others.

INSTITUTIONAL VALUES AND BEST PRACTICES**7.1 - Institutional Values and Social Responsibilities****7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year**

Gender equity is one of the most important issues of present day and is catered by Ramnagar College every academic year with different seminars, workshops, special lectures etc. A separate unit called 'anti-ragging' committee been has formed to ensure security of the female students of the college. However, according to the Vidyasagar University Under Graduate syllabus, many subjects like History, English, Sociology, Political Science have special courses (mainly skill enhancement courses), which greatly deals with the issues like Gender and Education, Women Rights and Indian Constitution, Women and Empowerment etc. All the faculties, especially from Humanities, tried their best to teach these courses with more emphasis and provided sufficient materials to the students to meet up the gap of physical academic activities during this academic year. Continuous group discussions and internal assessments were also done to evaluate students' performance.

As regards the disposal of various types of wastes the college collects the wastes from different sections of the college through collection buckets placed in prominent positions of the college campus. All the degradable wastes are disposed through disposable pits prepared in a particular locations within the campus. Whereas the non-degradable ones are given to the local Panchayet agency who collect the same from the college campus in their own vehicle on regular intervals.

As a result the college now does not face any such problem and we may feel satisfied that our college campus is totally free from any hazards and wastes.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Ramnagar College, has adopted a best practice to focus on Women's Education in rural areas. It is a challenge for this college to promote women's education and empowerment for social and economic development by addressing the specific needs and challenges faced by women in rural communities. The objective of focusing on women's education in Ramnagar College is to empower women by providing them with equal access to education, knowledge, skills, and opportunities. The primary goals of women's education in our college include:

- To provide local access to higher education for women in rural areas.
- To equip women with practical as well as employable skills.
- To encourage women to engage in community service projects, outreach programs, and social entrepreneurship.
- To promote health and thereby raising awareness among the women in rural areas.
- To promote gender sensitization and thus to challenge discriminatory practices prevalent mostly in rural communities.
- To provide networking opportunities that helps for personal and professional growth

Ramnagar College also focus on skill development and skill oriented education. It is important to empower students with skill-based training as the development of our economy depends

upon them. Objectives of the practice are as follows:

- To improve the skills of students to think beyond grades and also helps them tap into their capabilities, develop real-life skills, and prepare themselves to be successful in the careers of their choice.

Further details on these two best practices can be found on the link provided below.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The institution is located very close to the Bay of Bengal Sea Beach in the esteem south of our State. The institution, being situated in the background of rural landscape has been trying to focus its deliverable services by making best use of local resources, in fact two important economic resources abundantly available surrounding our college is marine and aquatic resources and the beautiful natural landscape like flat sea beach and the beauty ocean view.

Keeping these facts in mind the college has introduced three fishery related courses (B. Sc. (Hons) in Aquaculture Management, B. Sc. (Major) in Industrial Fish and Fisheries and B. Voc. in Fisheries and Farm Management). Nearly hundred students are passed out every year completing any of these three courses and all of them have been getting employment over the year. Further keeping in view the potential of tourism industry in mind, we have introduced V. Voc in Hospitality and Tourism through which another 20-25 passed out students are also getting job every year.

As a whole we have been generating a scope of employment of nearly 125-150 students per year which as per our perception is the distinctive features of this college.

7.3.2 - Plan of action for the next academic year

The development process of the college was stopped due to long lockdown for preventing COVID 19 break out. As the college has been opened for its regular work we have few plans towards infrastructural development and qualitative growth of academic structure for the next year. They are as follows:

1. Research center in the college
2. Expansion of B.Voc building
3. Creating a new infrastructure of library.
4. Resolving the land requirement for completion of ongoing playground project.
5. Installation of 20 KV solar generating system.
6. To complete the silver jubilee year in a grand manner.
7. Introduce some Faculty Development program.
8. Procurement of more computer, projector, laboratory equipment etc.
9. Purchase of new books as per newly introduced syllabus.
